

CreatorYo Games - Privacy Policy

At CreatorYo Games, safeguarding your privacy is our top priority. We are committed to transparently explaining how we collect, use, and protect your data. Please carefully read the following information to understand how we handle your information to maintain our services.

Last Updated: 19/06/2024

Information Collection:

- **Roblox Data:** When users interact with our Roblox integration, we collect their avatar, UserID, and Username for the purpose of enhancing user experience within our platform.
- **Discord Data:** When users interact with our Discord integration, we collect their email, profile picture, UserID and username for the purpose of facilitating communication and account verification within our platform.
- **IP Addresses:** Please note that IP addresses are collected by Cloudflare, our service provider, for security and performance optimization purposes. We do not have direct access to this data.

How We Use Your Data:

Purpose: The Roblox and Discord data collected is solely used to provide you with enhanced features and functionality on our platform. This may include personalization, communication, and account management purposes.

Data Security:

Security Measures: We implement appropriate security measures to safeguard your Roblox and Discord data from unauthorized access, alteration, disclosure, or destruction.

Third-Party Links:

Disclaimer: Our website may contain links to third-party websites. Please be aware that we are not responsible for the privacy practices or content of these websites. We encourage you to review the privacy policies of any third-party sites you visit.

Changes to Privacy Policy:

Updates: We reserve the right to update or modify this Privacy Policy at any time without prior notice. Any changes will be effective immediately upon posting on this page. We encourage you to review this Privacy Policy periodically for any updates.
